4. Comments:

4.1) What did you like BEST about this class?

- Being able to have "games" such as the auction of character traits.
- How laid back it was.
- I like how it is informative on things that effect any student
- I like that it is an easy class that I can take to work toward my certificate in leadership studies.
- I like the class material and homework because it really makes me think about what type of person that I want to be and become.
- I like the different activities we do in the class. there are fun and go towards my education
- I liked learning about leadership and such.
- I loved getting to know more about myself, my beliefs, and my values. It is a great course and I had mad a lot of friends!
- It's fun
- Just that I learn how to better myself as a leader
- The discussions.
- The material was broken down into manageable chunks and focused topics for each week. The readings prior to class aided in my understanding of the material in class.
- The professor always came in with a smile. You could tell she truly wanted to be there and was happy to teach on this subject.
- The teacher. She is very willing to work with us.

4.2) What did you like LEAST about this class?

- All the assignments
- Felt we has to do a lot of homework for a one credit class.
- How long the class is. I don't think it needs to be this long.
- I did not like writing essays.
- I do not like the length of the class time
- I really dislike the time frame of this class. I also feel it should be worth more than one credit since the class is longer than one hour.
- It was a long class, especially being at 3:40-5:30 made it seem longer but I really enjoyed it!
- It was a two hour class once a week. I would have liked it better if it were twice a week for a shorter amount of time. Still though, two hours wasn't bad.
- That the class was a continuous two hour long class. If it was shorter, and twice a week, then the class would have been more enjoyable.
- The papers.
- The thing I dislike most about this class is how late it goes. It goes until 5:30 and I miss a club that I want to be a part of. i also think I would retain more if it was earlier because by the time I get to this class I am already tired from the day.
- The two hour time block at 3pm seemed long for the amount of content that was covered. It seemed like content was sometimes stretched to fill the time block.
- The way that the homework works.
- Umm so far nothing
