## 4. Comments:

4.1) What did you like BEST about this class?

- I like that Julie was open to other's opinions and listened to what we had to say. She tried to make the class so that everyone was learning.
- I liked the book we used.
- The class discussions were very helpful and fun!
- The open lectures.

4.2) What did you like LEAST about this class?

- Canvas
- Sometimes it just felt like all of the reading piled up, however that was more or less a time management thing on my end.
- That if we missed a class we couldn't make anything up, even if we could make some of the points up by writing a paper about what we missed or something would be really helpful.
- We could argue TRAT points back but not IRAT.
- some of the readings seemed a little bit too much, reading more than we needed to read.
